

Notice for Change of Name From Tongkook Corporation, Korea to TK Chemical Corporation, Korea

National Tariff Commission (the “Commission”), pursuant to the powers conferred upon it under Section 50 of Anti-Dumping Duties Ordinance 2000 (the “Ordinance”) imposed anti-dumping duties on dumped imports of Polyester Filament Yarn (“PFY”) originating in and/or exported from Republic of Indonesia, Republic of Korea, Malaysia and Kingdom of Thailand (“Exporting Countries”) on March 17, 2006 vide Commission’s Notice No. ADC 007/2005/NTC/PFY.

2. Some exporters/producers from Exporting Countries did not attract anti-dumping duties as they were either found not to be dumping or the dumping margins were found to be *de minimis* (less than 2 %). Tongkook Corporation, 14th Floor Singsong Centre Bldg. 25-12, Yoido-Dong, Youngungpo-gu, Seoul, Korea, was amongst them whose exports of PFY to Pakistan were not liable to anti-dumping duty, as its dumping margin was found at *de minimis* level.

3. The Commission has received a request from TK Chemical Corporation that ownership of Tongkook Corporation has been changed and it is now operating under new name of TK Chemical Corporation, 14th Floor Singsong Centre Bldg. 25-12, Yoido-Dong, Youngungpo-gu, Seoul Korea. TK Chemical Corporation has requested that the same status, which was given to Tongkook Corporation under Commission’s Notice of Final Determination dated March 17, 2006, may be accorded to TK Chemical Corporation as it is true successor in interest.

4. The Commission invites views/comments, if any, of interested parties on the change of name of Tongkook Corporation to TK Chemical Corporation and its request for same status, which was applicable to Tongkook Corporation. The comments may reach the Commission within fifteen days of publication of this notice.

5. In accordance with Rule 7 of the Anti-Dumping Duties Rules, 2001, the Commission has established and maintained a public file at the offices of the Commission, which shall be available to the interested parties for review and copying from Monday to Thursday (except public holidays) between 1100 hours to 1300 hours throughout the period of fifteen days as mentioned in para 4 above.
