

A.D.C No. 12/2006/NTC/PSF/SR/15
National Tariff Commission
Government of Pakistan

Notice of Review of Definitive Anti-Dumping Duties levied on Dumped Imports of Polyester Staple Fiber into Pakistan Originating in and / or Exported From the Republic of Indonesia, the Republic of Korea and the Kingdom of Thailand

The National Tariff Commission (the “Commission”) received an application for review under Section 58(3) of the Anti-Dumping Duties Ordinance, 2000 (the “Ordinance”) on December 12, 2014 from ICI Pakistan Limited and Ibrahim Fibers Limited (the “Applicants”), domestic producers of Polyester Staple Fiber (“PSF”). This application was made following the publication (published in national press and official Gazette on October 29, 2014) of a notice of impending expiry of definitive anti-dumping duties levied on dumped imports of PSF into Pakistan originating in and/or exporting from the Republic of Indonesia, the Republic of Korea and the Kingdom of Thailand (the “Exporting Countries”). The Applicants have alleged that expiry of anti-dumping duties on PSF would likely to lead to continuation or recurrence of dumping of PSF from the Exporting Countries and injury to the domestic industry producing PSF.

2. In light of decision of the Honorable Supreme Court of Pakistan in civil petition No. 1608 of 2009, the composition of the Commission is not complete to initiate the review under Section 58(3) of the Ordinance. Therefore, this notice is being published in national press to inform all interested parties that a decision to initiate the review would be taken on completion of the composition of the Commission.
