Government of Pakistan
National Tariff Commission

Notice of Impending Expiry of Definitive Anti-Dumping Duties Levied on Dumped Imports of Formic Acid 85% into Pakistan Originating in and/or Exported from the People's Republic of China and Republic of South Korea

National Tariff Commission (the "Commission"), after making an affirmative final determination in terms of Section 39 of the Anti-Dumping Duties Ordinance 2000 (the Ordinance) imposed definitive anti-dumping duties ranging from 3.48% to 44.10% of C&F price in accordance with Section 50 of the Ordinance, on dumped imports of Formic Acid 85%, importable under PCT heading No. 2915.1100, originating in and/or exported from the People's Republic of China (China) and Republic of South Korea (South Korea) for a period of five years with effect from February 10, 2012. The five years period shall expire on February 09, 2017.

In terms of Section 58 (2) of the Anti-Dumping Duties Act, 2015 (the "Act"), it is hereby notified that the definitive anti-dumping duties levied on dumped imports of Formic Acid 85%, originating in and/or exported from China and South Korea shall terminate on expiry of five years from the date of imposition of anti-dumping duty i.e. February 09, 2017, unless a review under Section 58 (3) of the Act is initiated before the date of termination of the duty. Domestic industry producing Formic Acid 85% may file a sunset review application with the Commission on the prescribed form within forty-five days of the publication of this notice, if it so wishes. The sunset review application form is available on the Commission's website www.ntc.gov.pk.
