Notice of Impending Expiry of Definitive Anti-Dumping Duty Levied on Dumped Imports of Urea Formaldehyde Moulding Compound into Pakistan Originating in and /or Exporting from the People's Republic of China

National Tariff Commission (the "Commission"), after making an affirmative final determination in terms of Section 39 of the Anti-Dumping Duties Ordinance, 2000 (the "Ordinance"), imposed a definitive anti-dumping duty ranging from 3.43% to 11.58% of C&F price in accordance with Section 50 of the Ordinance, on dumped imports of Urea Formaldehyde Moulding Compound ("UFMC"), produced and exported from Peoples Republic of China ("China"), for a period of five years with effect from July 18, 2005. The five years period shall expire on July 17, 2010.

UFMC is importable under PCT heading No. 3909.1010.

All interested parties are hereby notified that the definitive anti-dumping duty levied on dumped imports of UFMC, produced and exported from China shall terminate, on expiry of five years from the date of imposition of anti-dumping duty, unless a review under Section 58 (3) of the Ordinance is initiated before the date of termination of the duty. Domestic industry producing UFMC may file a sunset review application with the Commission on the prescribed form within forty-five days of the publication of this notice, if it so wishes. The sunset review application form is available on the Commission's website www.ntc.gov.pk.

This notice is published by order of the Commission. For further information please contact Director (Investigation), National Tariff Commission, Tel: +9251 9218963, Fax: +9251 9221205.
